

I'm a Flight Attendant with Hawaiian Air.

I urge you to PLEASE !!!!!!! Do not allow the use of Cell Phones during flight. For the Safety of all that travel and most of all for us that work in the Air. We would open a door, we wish we would have left shut. Let us have the upper-hand, as small as it might be.

Once again. PLEASE DO NOT ALLOW THE USE OF CELL PHONES DURING FLIGHT.

Thank you for considering my Safety while I work.
